Dear Valued Member

We are delighted to be writing to you to provide an update on what has been happening within the IFCC and also to thank you for your commitment and financial support of the IFCC thus far.

It would be a miss of us not to thank God and glorify his Holy name for keeping us safe during the Covid-19 pandemic. Who would've thought that as we are writing this letter to you, we have now reached the end of this pandemic. We know that it has been difficult, challenging and frustrating for most of us but we cannot let this deter us. We have a fresh start therefore we are looking forward to a new future ahead.

This letter is aimed at updating you as our precious member of the IFCC. As part of the renewal of IFCC, we have launched the following Provinces and Regions, Gauteng, Northern Cape, East London, Mahikeng, Cape Town and KwaZulu-Natal. We are continuing our relaunch tour and our next stop is Mpumalanga, Limpopo and the Free State. The objective of this tour is to ensure that by the year end that we have completed relaunching IFCC in these regions.

From the administrative side, we are excited to let you know that we have rebranded the entire look and feel of IFCC namely, logo, activated and updated our social platforms, website, WhatsApp line, member application form, branding material and corporate stationery. You may have received a call from our offices requesting or verifying your current contact information and Church profile. By receiving these up-to-date information, we were able to update our IFCC Database. If you have not received a call from us, kindly send us a WhatsApp to verify and confirm all your particulars. In moving with the times, we have ensured that our online platforms i.e. website <https://ifcc.co.za/> and facebook pages <https://www.facebook.com/weareifcc> are current and up-to-date which would assist us in communicating with you our members and broader audience in real time. We therefore encourage and urge you to join our social media pages and cross reference with our website on a weekly basis to receive any event announcements, IFCC policies and resources.

Due to the numerous changes within the IFCC over the past few months, we have created an information brochure which is filled with rich information, history and background of the IFCC to date, its new vision and objectives, member benefits, the leadership structure and avenues to receive the member application forms. We know that those who are experiencing issues with obtaining their marriage licences, we are here to assist therefore kindly send us your request/query if you have not as yet.
